

Social distancing

WHILE YOU ARE AT THE COTTAGE:

We would ask that you remember to continue to follow government guidance and legislation regarding social distancing during your holiday. Please observe social distancing and bring your own face mask/gloves if you wish to wear them.

As of 4 July:

- you can meet in groups of up to two households (anyone in your support bubble counts as one household) in any location - public or private, indoors or outdoors. You do not always have to meet with the same household - you can meet with different households at different times. However, it remains the case - even inside someone's home - that you should socially distance from anyone not in your household or bubble. This change also does not affect the support you receive from your carers
- when you are outside you can continue to meet in groups of up to six people from different households, following social distancing guidelines
- those who have been able to form a support bubble (i.e. those in single adult households) can continue to have close contact as if they live with the other people in the bubble, but you should not change who you have formed a support bubble with
- additional businesses and venues, including restaurants, pubs, cinemas, visitor attractions, hotels, and campsites can open - but we will continue to keep closed certain premises where the risks of transmission may be higher
- other public places, such as libraries, community centres, places of worship, outdoor playgrounds and outdoor gyms can open
- you can stay overnight away from your home with your own household or support bubble, or with members of one other household (where you need to keep social distancing)
- it is against the law for gatherings of more than 30 people to take place in private homes (including gardens and other outdoor spaces), or in a public outdoors space, unless planned by an organisation in compliance with COVID-19 Secure guidance
